

To the school manager of the IC Grazzanise

AUTHORIZATION FOR STUDENTS UNDER THE AGE OF 14, TO EXIT FROM SCHOOL ALONE

ALTHOUGH

- School and families share specific supervisory duties on children under the age of 14 during the school hours
- Teachers will monitor the students until the school gate, once finished the lessons;

The undersigned _____ and _____ parents of the student _____ enrolled in the class _____ of the secondary school, building _____,

according to the art. 2043,2048 e 2047 of the civil code; the art. 61 of the law n. 312/1980; the l'art. 591 of C.P. and the art. 19 bis del Decree n. 148/2017 modified by the L. 172/2017 (in Official Journal 05/12/2017, n. 284),

AUTHORIZE

Their child to go home alone once finished the lessons, without being picked up by their parents, considering that:

- The parents can't pick up their child once finished the lessons
- The student knows the itinerary school-home
- The student regularly walks through the streets of the town alone without any problem
- The student shows maturity and autonomy in avoiding risks
- The itinerary school-home has no specific risks
- The parents will give their child clear instruction on how to come back home directly and safety

In case of use of public transport, the school staff is not obliged to monitor the student while he/she is going to take the bus and while he/she is taking the bus.

So they declare that the School is not responsible for monitoring the students once finished the lessons.

This authorization, adopted by the school manager, could be annulled once there won't be the specified conditions anymore.

This authorization will be taken into account for this school year.

Here attached there are the identity cards of the parents.
